The Marais Players is a community-based theater, started in 1971, that receives its revenue through tickets sales and by membership. We are a Wisconsin non-stock, non-profit corporation with a 501 (C) (3) tax-deductible status. The corporation does not pay any of its actors/actresses or support personnel. We perform strictly for the enjoyment of the community. In 2011 we are seeking to secure funds for a facility upgrade to include internal wiring upgrade and a sound system upgrade to interface with existing facility sound system Approximately \$1,500.00 total. Any and all support is appreciated. Marais Players scholarship fund is another way of supporting future theatre people.
